

## Blessed Sacrament Roman Catholic Parish

### About this Project

Hello! Our parish has been offered an opportunity to engage in a 3-year project that seeks to help re-vitalize faith formation in the family, and assist you, as parents in the growth of the faith in your children over a the school-age life cycle (birth to 18 years of age). The Parents & Families at the Center of Faith Formation project is an initiative of the National Community of Catechetical Leaders, in conjunction with the Diocese of Phoenix. The initiative is funded through a grant by the Lilly Foundation.

NCCL's Parents and Families at the Center of Faith Formation Project will establish a solid foundation of knowledge about how faith transmission is (or is not) being practiced in Catholic families so that new approaches and strategies can be designed that are reflective of the family research and current thinking on faith transmission. The Project seeks to build on how Catholic families are already transmitting faith and values so that new approaches and strategies support parents. The new approaches and strategies will be developmentally appropriate, culturally responsive, personalized to diverse parental religiosities, and responsive to diverse family structures.

### Invitation

The Catholic Family Survey will help your parish better understand your family and your life as a parent. The survey results are very important. They will be used to create a parish plan for supporting parents of children and young people, and for engaging the whole family in faith formation - from birth through high school graduation. The survey will only take 8-10 minutes to complete. Please complete the survey by November 14, 2024. We appreciate your time and contribution!
